

AITR/Acad./SS/2024

Date: 10/April/2024

**NOTICE**

**(Re-valuation / Challenge Results)**

After every semester all students of B.Tech and M.Tech are provisionally promoted to next higher semester based on the result declared by the RGPV without considering the result of revaluation or challenge. In order to keep this promotion status updated all such students who apply for re-valuation/challenge are required to submit the copy of the result within 03 days of its declaration

The updated status of the promotion to next higher semester would help students in getting their daily class attendance recorded with the department for proper academic compliance required to appear in final examination.

If students fails to submit the re-valuation / challenge results within above stipulated time will affect their regular present status in the institute.

For further clarification students may contact Mr. Lucky Sen at Window Number 02 during the recess time.
